

IFIA-CEOC Annual Conference - General Assembly

12-13 December

Hosted by Bureau Veritas, Paris

Immeuble Newtime, 40-52 Boulevard du Parc, 92200 Neuilly sur Seine cedex

Day one: 12 December 2018

13:00-14:00 – Registration

14:00-14:15 – Opening and welcome – *Didier Michaud-Daniel, CEO, Bureau Veritas*

14:15-15:45 – Part One

Discussion Panel: *“From brick and mortar retail to virtual commerce, who’s the watchdog ensuring consumer safety and industry’s level playing field in light of the growing trend of online purchasing?”.*

Digitalisation is radically changing the retail sector business model. This digital revolution is bringing about societal challenges which represent both threats and opportunities. The aim of this moderated discussion is to provide a forum for various players from policymakers, retail, consumer organisations and the TIC sector to openly discuss issues spanning from commercial best practices, defending the safety of consumers, tackling the issue of counterfeits and ensuring industry’s level playing field.

Invited organisations:

Pinuccia Contino, Head of Unit, EU Commission DG Justice and Consumers

Rebecca Balogh, Standards Attaché, US Mission to the EU

Amber Bechrouri, Senior Public Policy Manager, Amazon

Justin Macmullan, Director of Advocacy, Consumers International

Maurits Bruggink, Secretary General, EMOTA

Fred Herren, SVP Digital and Innovation, SGS

Moderator: *Gregg Tiemann, President, Intertek Americas (tbc)*

15:45-16:15 – Coffee break

16:15-17:45 – Part Two

Discussion Panel: *“New TIC association, what’s in it for me?”.* With the creation of a new TIC association encompassing a geographically and sectorially diverse portfolio, many questions need to be resolved to ensure not only an effective and unified voice for the TIC sector as a whole but also to maintain guaranteed value for its members. This moderated discussion panel consisting of various IFIA and CEOC members will seek to address the expectations of the new association, how to reconcile the various interests and what the value is for its members—both large and small.

Panellists:

Dirk Stenkamp, CEO, TÜV Nord

Karina Engstrøm Nielsens, Managing Director, Baltic Control

Didier Michaud-Daniel, CEO, Bureau Veritas

Andrzej Ziolkowski, President, UDT

Keith Williams, CEO, UL
